Girls Pool B

NEW ZEALAND 79 def. NORTHERN TERRITORY 49

Turnovers were an issue for NZ early but as the first quarter wore on, they began to gain some omentum with Sophie Adams and Dominique Stephens again starring off the bench. Shavayah Lee and Tyla Cubillo did their best to stop NZ at both ends of the floor but NZ's team performance carried them to a solid win.

Girls Pool B

WA COUNTRY 81 def. by QUEENSLAND NORTH 93

Qld North's Shaneice Swain started this contest shooting the lights out and she hardly cooled off for the entire game, finishing with 31 points. WA Country never gave in and fought back throughout the game but every time they looked to have a run, Qld North answered with three's. Foul trouble then proved an obstacle for Qld North but the damage had been done in the first half with time proving the enemy of WA Country.

Boys Pool B

SA METRO 80 def. ACT 59

This game was up for grabs at the first half in an even contest but out of the main break, SA Metro's defence matched their offensive intensity as they held ACT to just eight points in the third term. Fiston Ipassou finished with 26 points and 14 rebounds and while Henry Wallace's 16 points helped mount a comeback from ACT, the lead had gotten too large to overcome.

Boys Pool A

QUEENSLAND SOUTH 63 def. NSW METRO 61

Out in transition, Qld South looked to have control of this game but when NSW Metro were able to set up their defence, they halted their opposition's production while owning the rebounds to make it just a one-point game at half-time. The lead never extended beyond five in the second half with Tomas Ramos and Clancy Bird (17 points) almost clinching the game for NSW Metro before Mo King and Lachlan Blackburn sealed a thriller.

Girls Pool A

WA METRO 60 def. ACT 57

ACT held with their opponents for the first term but could not keep up the intensity in the second period with Ruby Hamilton taking control with some strong rebounding. Foul trouble for Natasha Lyall then hurt ACT's offensive production further but they fought hard to stay in the contest in the second half thanks to Abby Solway's 14 points. Maddison Alone proved the heroine for WA Metro though, drilling a three-pointer with just a second to go, breaking the tie and winning the game for her team.

Girls Pool A

NSW COUNTRY 68 def. TASMANIA 55

This game was a back-and-forth affair between each quarter but NSW Country's stronger second and fourth terms proved the difference with Olivia Barber tallying 24 points and 14 rebounds in a outstanding performance to answer Aishah Anis' 17 points and seven boards.

Girls Pool A

NSW METRO 64 def. VICTORIA COUNTRY 52

A low-scoring affair in the first half made for an exciting contest with both teams taking the lead at different times. Piper Dunlop was again big for Vic Country and she had solid help to give her team every chance but Isabelle Morgan and Riley Crawford came out firing in the third term and when Vic Country's offence dried up for a couple of minutes, NSW Metro took advantage. They owned a double-digit lead and consolidated that in the last term to run out comfortable winners.

Girls Pool A

QUEENSLAND SOUTH 69 def. SA COUNTRY 65

Mary Barnett Keresoma (28 points) was hot from the opening tip, scoring nine points in just a few minutes to give Qld South the early edge. SA Country were able to answer once they settled into the game and while turnovers proved to be an issue, they fought hard to even things and push Qld South into foul trouble in the first half. From there, SA Country threatened to claim the comeback win but down the stretch, the clutch play of Neve Tratt and Neferatali Notoa secured a close victory for Qld South.

Boys Pool B

NSW COUNTRY 75 def. WA COUNTRY 59

This game was much closer than the final margin indicated with WA Country fighting with great spirit until the final siren but NSW Country could not be headed as they secured a place in the Quarter-Finals, led by Zac Simons' double-double of 15 points and 12 rebounds which answered the game-high effort of Shamus Trainor (25 points).

Boys Pool B

VICTORIA COUNTRY 63 def. by QUEENSLAND NORTH 88

Victoria Country showed glimpses of some of the best defence the tournament has had to offer and Qld North were not able to get as comfortable a lead as they would have liked. A couple of runs proved the difference though with Tamuri Wigness (26 points) knocking down some big three-pointers. Dyson Daniels was the standout for Vic Country.

Boys Pool A

VICTORIA METRO 92 def. WA METRO 58

While seeding for Pool A was all but settled before this game started, neither team took a backwards step with WA Metro sticking with their favoured opponents through the first half. WA Metro's zone was exceptional and Vic Metro struggled to get open looks but their running game came into it in the second half and once they knocked down a couple of shots, Vic Metro did not look back.

Girls Pool B

WA COUNTRY 98 def. NT 62

WA Country came into this game wanting to make a statement and they played a full game with transition offence the key to their win. Molly Althouse was again the star for NT, collecting a double-double of 14 points and 11 rebounds but WA Country had five players score in double-digits while Beige Harris pulled down 14 boards.

Boys Pool B

ACT 54 def. by NEW ZEALAND 82

New Zealand's physical nature was again on display and they played the same game that has been successful for them all week. Every player saw solid court time as they headed into the Quarter-Finals and ACT were undersized in the paint as they were unable to win a quarter despite the best efforts of Henry Wallace (12 points). NZ won the bench battle 66-20 to prove they have the depth to go far in this tournament.

Girls Pool B

SA METRO 75 def. NEW ZEALAND 69

This game was tight from the outset and neither side was willing to give an inch with SA Metro fighting back from a four-point deficit at quarter-time to lead by two going into the last quarter. Emilia Shearer hit a huge three-pointer for NZ in the last minute though and SA Metro could not answer with the game headed into overtime. In the extra period, Mikayla Tartarelli showcased her own long-range shooting, knocking down two three's to finish with eight points in five minutes and 21 for the game to lead SA Metro to the win while Kelsey Rees also had 17 points.

Boys Pool A

NSW METRO 82 def. SA COUNTRY 58

NSW Metro were on song in the first half of this contest and set up what looked to be a match-winning lead by the main break. SA Country did not give up and dug their heels in during the second half, cutting into the margin as the game wore on but the deficit proved too big in the end. Earvin Dizon scored 19 points for NSW Metro while Bailey Beattie came off the bench for SA Country with 13.

Girls Pool A

VICTORIA METRO 99 def. WA METRO 55

WA Metro had a strong intent offensively in this game but Vic Metro showed they were too strong defensively, holding off any run that WA Metro were able to conjure. Their full court press began to accumulate turnovers and the close looks that Vic Metro received were the difference as they ensured they headed into the Quarter-Finals unbeaten. Erin Riley shot 7-8 from the field and had six steals while Ruby Hamilton top-scored for WA Metro with 15 points.
